

# NCPGA 2018 - 2019 Safe Installation of Appliances Rebate Form

*This form must be completed by a participating propane marketer. Submission of the application form constitutes a representation on the part of the participating propane marketer that the work shown on the form has actually been completed. A safety inspection must be performed after the installation of each new qualifying appliance(s) and the results of that inspection must be documented on this form in a manner acceptable to the NC PERC Foundation. Minimum requirements of the safety inspection are located on page 2 of this form.*

*This form and receipts showing purchase of each appliance must be submitted to the NC PERC Foundation for the customer to be eligible for consideration of any rebate(s). Failure to furnish all necessary documentation will result in the customer being declared ineligible for consideration of any rebate(s). The results of the required inspections must be recorded on page 2 of this form and must conform to industry standard practices, NC Fuel Gas Code requirements, or local code requirements. The NC PERC Foundation and the NC Propane Gas Association assume no liability for a customer being declared ineligible for consideration of any rebate(s).*

Date of Inspection: \_\_\_\_\_

Customer's Signature: \_\_\_\_\_

**(This paperwork must be submitted to NCPGA within 30 days of appliance inspection date to receive rebate)**

### ***Disclaimer:***

*The propane marketer seeking a rebate must submit a full and complete Application form. Submission of the Application form constitutes a representation on the part of the participating propane marketer that the work shown on the form has actually been completed. A safety inspection must be performed by the participating propane marketer after the installation of each new qualifying appliance(s) and the result of that inspection must be documented on the Application form. The safety inspection for qualifying appliance installations must, at a minimum, include the following: 1) a leak test; 2) a pressure test if required by applicable laws, rules and regulations; and 3) a flow and lock up test on the regulator[s]. The propane marketer agrees to comply with all laws, rules and regulations governing the installation of the qualifying appliance and with the manufacturer's installation instructions. The NC Propane Gas Association and NC PERC Foundation assumes no responsibility whatsoever for the installation, inspection, or testing of the qualifying appliance(s) or any associated gas system and, by issuing a rebate, makes no representation, warranty or guarantee regarding the qualifying appliance(s) or the associated gas system. The NC Propane Gas Association and NC PERC Foundation disclaims any liability for any personal injury, property damage, business losses or other damages of any nature whatsoever, whether special, indirect, consequential or compensatory, directly or indirectly arising from the installation of the qualifying appliance(s).*

*Additional rebate forms may be obtained on [www.ncpga.org](http://www.ncpga.org)*

Please submit your 2 page rebate form and receipt(s) to:
